# Alumni Feedback Analysis Report

Alumni Suggestions:

- Institution should increase interaction with industry people.
- Institution should provide job opportunities in VLSI field
- Institution should provide training sessions on recent market technologies
- Institution should improve Digital Learning
- Institution should provide internship opportunities in MNC
- Institution should provide internship in BSNL

Action taken:

- Institution started with industry liaisoning by faculty members and provided opportunities for industry internship. (eg. TE students have completed internship in Soft Hard Automation in Semester-II of A.Y.2018-19)
- BSNL industrial visit was arranged in March 2019 for BE students
- Organized guest lectures on Recent trends in Wireless and Mobile Communication for **BE** students
- Placement opportunities provided through Industry interaction, Alumni interaction etc.
- For Digital learning, frequent use of MyExamo software is preferred for Practicing Online Exam and placement activities

Action Plan:

To approach VLSI industries for guest lecture conduction and placement ٠ opportunities
