Alumni Feedback Analysis Report

Alumni Suggestions:

- Institution should increase interaction with industry people.
- Institution should focus on Practical oriented knowledge sharing
- Institution should provide library resources
- Institution should provide training sessions on recent market technologies
- Institution should provide internship opportunities in MNC

Action taken:

- Institution started with industry liaisoning by faculty members and provided opportunities for industry internship. (eg. TE students have completed internship in Soft Hard Automation in A.Y. 2019-20 SEM-II)
- Industrial visits/internships are planned for students in every semester
- Placement opportunities provided through Industry interaction, Alumni interaction etc.
- For Digital learning, focus given on use of ICT technologies(Google-Apps etc)
- Concept of One Student One Product is started progressively

Action Plan:

To arrange guest lecture on recent trends in Automation and related placement opportunities
