A-Y. 2019-20

Suggestions given by alumni members in feedback

Suggestions:

1. Innovation Lab:

Corrective Measures:

- Establishing State of Art Lab in Robotics field.
- Also different project are available for BE work

2. MMCOE management can work as angel investor or provide seed funding for start up:

Corrective Measures:

- Management sanction the different amount for two of our project in the field of Refrigeration and Prof. Bhatkar is guiding them.

3. Give the practical knowledge conduct lectures regarding the software:

Corrective Measures:

- Department has organised a guest lectures on Master Cam software and which was delivered by Onward Technologies.
- The experts from CADD Centre Kothrud who has 20 years of industrial experience on Ansys Work Bench software has delivered a lectures for TE and BE students.
- Department has arranged an Add on Course on "CATIA Software and Ansys Software" Training Program by DesignTech System Ltd.

4. Conduct more Technical and Social activities to provide platform for students to show their hidden talent:

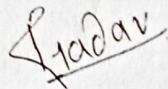

Corrective Measures:

- MESA has organized a technical contest based on CATIA Software for Part Drawing and Assembly Drawing.

5. Keep encouraging students to participate and achieve good positions in National level Competitions

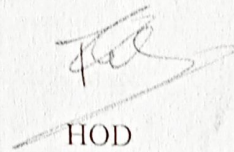

Corrective Measures:

- Two project groups are published their work in the UGC approved Journals
  - ISHRAE members organized and win most of the prizes during the TechnoCHILL 2017, a student's event organised at MMCOE Karvenagar Pune on 17th Jan 2016. They won total Prizes worth 24000/-.
  - ASHRAE has sponsored a project with worth of US Doller 4645/- for current financial year.
6. Content beyond syllabus can be delivered through the expert lectures.
- Expert lectures are arranged by industry experts to deliver the contain beyond syllabus
  - Also take an expert advice from Adjunct Faculties for different ongoing projects in the fields of HVACR.

## Alumni Feedback Analysis Report

Alumni Suggestions:

- Institution should increase interaction with industry people.
- Institution should focus on Practical oriented knowledge sharing
- Institution should provide library resources
- Institution should provide training sessions on recent market technologies
- Institution should provide internship opportunities in MNC

Action taken:

- Institution started with industry liaisoning by faculty members and provided opportunities for industry internship. (eg. Faculty and have completed industrial automation training/internship at B & R automation ,Pune)
- ETA lab kit was deployed by B & R automation to E & TC department on lease basis
- Industrial visits /internships are planned for students in every semester
- Placement opportunities provided through Industry interaction, Alumni interaction etc.
- Digital learning through ICT technologies(Google-Apps etc)
- Students completed internship at B & R automation Pune
- Workshops/Guest lecturers arranged for AI and ML and other technical subjects by industry experts
- Library resources, e- resources, are made available including plagiarism software required for research oriented activities.

Action Plan:

- To arrange guest lecture on recent trends in Automation /AI/ML/IOT and to provide related placement opportunities

**YOUR SUGGESTIONS FOR Marathwada Mitra Mandal's College of Engineering, Karvenagar, Pune-411052, INDIA**

Your Specific suggestions on how the College could develop into a global institution	1. Less focus on syllabus and more focus on
	2. practical knowledge and how industry
	3. works.
	4.
	5. Even if no.1 college in Pune or
	6. got A grade basic facilities like
	7. Library is not big enough to
	8. acquire students.
	9.
	10. Unnecessary rules for students should be minimized

**YOUR CONTRIBUTION TO**

**Marathwada Mitra Mandal's College of Engineering, Karvenagar, Pune-411052, INDIA**

How do you think YOU AS ALUMNI could contribute to the College Resources and strengthen it to become a Global Institution	1. Alumni would be helpful as different
	2. placed in different companies would
	3. contribute their experience and which
	4. technologies needs to work on.
	5.
	6.
	7.
	8.
