Vision of Department:

To emerge as a centre of excellence in education, research and innovation in Information Technology for enrichment of Society.

Mission of Department:

- To cater industry with engineers having theoretical & practical background and competent IT skills.
- To pursue advanced knowledge in the field of information technology.
- To inculcate budding IT Engineers with professional and interpersonal skills.

Message from HOD

Dear Readers,

I feel glad to introduce you to, our first issue of volume VI, of IT Dept. e-newsletter “InTegenious”. In this issue we have covered almost all the activities of the dept. for Academic Year 2020-21 Sem - I. Major activities I would like to highlight are <WeBuild> - three days’ workshop on Web Development, expert lectures on the technologies like Salesforce, Google Crowdsourc and many more events.

I appreciate the efforts taken by E-newsletter team and wish them all the best for upcoming issues.

Programme Educational Outcomes (PEO's):

PEO 01: Adequate knowledge and skills in Information Technology for implementation of complex problems with innovative approaches.

PEO 02: Inclination and technical competency towards professional growth in the field of Information Technology.

PEO 03: Ethics and value based interpersonal skills to facilitate lifelong learning and societal contributions.

Team InTegenious

Workshops & Technical Events Conducted by Department

1. One Week Workshop on C Programming

Event Date: 14th Oct -21st Oct 2020

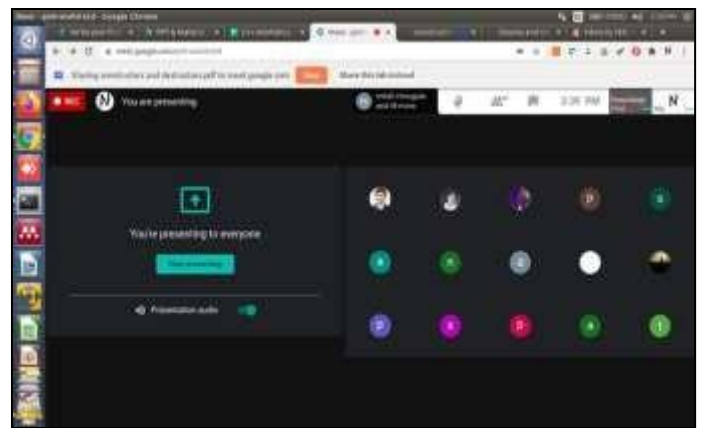

Mode: Online

Department of Information Technology conducted one-week hands on workshop on “C Language” for students of Electrical Department. The workshop was conducted from 14/08/2021 to 21/08/2021 by all faculty of IT department. Department conducted this workshop to enhance programming skills of students as C programming is the basic of programming languages and to help prepare them for Spoken tutorial certification test. This workshop was helpful to students to develop their technical ability.

2. One Week Workshop on C++ Programming

Department of Information Technology conducted one-week hands on workshop on “C++ Programming” for students of MMCOE coming from first year to second year IT. The workshop was conducted from 28/09/2020 to 3/10/2020 by all faculty of IT department. 70+ Students participated in the C++ workshop. Department conducted this workshop to enhance programming skills of students as C++ programming is the basic of all other object-oriented programming languages. Based on C++ programming, students have fundamentals of Data structures and Algorithm, Data structure and Algorithm Lab, Computer graphics, as part of their curriculum. So, this workshop will be helpful to students to develop their technical ability.

ACM EVENT/WORKSHOP:**1. “WeBuild” Full Stack Web Development Workshop**

Event Date: From 20th to 22nd October, 2020

Venue: Online Through ZOOM

Event Details: The ACM Students’ Chapter of Marathwada Mitra Mandal’s College of Engineering, Pune organized a three-day workshop in collaboration with Team Clever Programmer (A Renowned YouTube Channel) on Full Stack Web Development with M.E.R.N. named <WEBuild>. The objective of the Workshop was developing a full stack, web development project using M.E.R.N. The event was organized at a national level with over 245 participants from all over the country. The certificate partner for the event was Give My Certificate.

Day 1 -The Inauguration Ceremony was witnessed by Honourable Principal Dr. S.M. Deshpande, HOD IT Dr. Vijay Kumar Bidve and ACM Faculty Sponsor, Nikhil Dhavase who motivated everyone with their enlightening words. The event commenced with the warm welcome of our Eminent Mentors from abroad Mr. Rishi Patel & Mr. David Rakosi from the Team Clever Programmer. The expert web developer Rishi Patel encouraged students to showcase their talent with competitive spirit. Initially, the basics of HTML, CSS and JavaScript were covered. After short refreshments, participants headed to the hands-on experience of HTML and CSS, in which an animation was created by everyone. Furthermore, Rishi Patel showed the participants basic JavaScript modules. A short Q&A session took place where participants entreated various web development related doubts which Rishi Patel acknowledged by sharing a Road Map (targeted for 12 weeks).

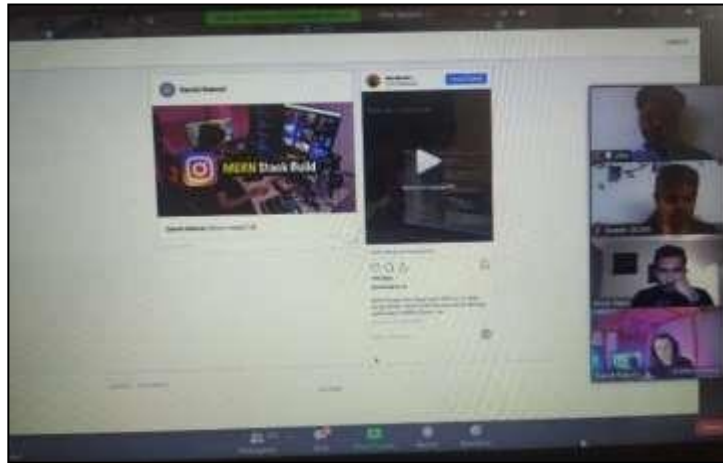

Day 2 -After the enlivening Day 1, participants were ready for the fresh start of WEBuild Day 2. What is React? When to Use/When not to use it? Reacts Popularity in 2020? were the various aspects covered. David Rakosi mentored students with an objective to acquaint the students with knowledge of building Front-End using ReactJS. Basic installations and technical queries were resolved during the session itself. After a break, the session resumed with future goal-oriented aspects. Rishi Patel helped students to map themselves and estimate rough layout between one to ten years’ span. Points on building a short yet an outstanding resume were showcased during the session.

Day 3 -Day 3 began on a fresh note with David Rakosi completing the Frontend. It was time consuming but everyone got well acquainted with developing the interface. Sonny Sangha from the Team Clever Programmer gave a surprise guest appearance. He counselled the participants to learn new technologies, develop new projects and thereby aided the students in their academic, personal and social growth. A book named Soft Skills by John Sonmez was recommended by him. Then Amaanath and Sayuri, 17-year-old programmers from Team Clever Programmer popped as another surprise. A 13-year-old Priyanshu Saraf told how he learned coding at such an early age and shared his experience with the participants. Team Clever Programmer discussed their Profit with JavaScript course with the participants and offered a huge discount on the same. The GitHub repository and recordings of all days were sent to the participants for reference.

Valedictory Function: The Valedictory function was graced by honourable Dr. Vijay Kumar Bidve HOD Information Technology department who's uplifting words motivated everyone. Top 10 interactive participants were announced and they received Amazon vouchers worth ₹200 for their astounding response. Interactive participants were Siddhant Gupta, Dhruv Kothari, Ritankar Sarkar, Yash Chavan, Radhakrishna Bhogte, Anirudh Belwadi, Yash Patel, Kaustubh Patil, Prajakta Bimalkhedkar, Yashvi Shukla. The event concluded with a Vote of Thanks by ACM Students' Chapter Chairperson Ms. Rutuja Khire. The workshop was highly appreciated by the participants and they felt encouraged to explore these areas further.

The coordinators for <WEBuild> were: Rutuja Khire, Abhishek Lalwani, Prajakta Raut, Isha Ghaisas, Bhakti Bhomaj, Bhargavi Bindu, Harsh Gangawane, Anushka Vaidya, Sachin Chavan, Yash Dixit, Pushkar Dashpute, Siddhant Jadhav, Isha Kulkarni, Samruddhi Velapurkar, Sham Birajdar, Swasti Bali, Anisha Kango, Vishwajeet Deshmukh.

2. “HackSprint 2.0”

Marathwada Mitra Mandal’s College of Engineering, ISTE Students’ Chapter in collaboration with ACM Students’ Chapter had organized ‘HackSprint V2.0’, a 36-hour Hackathon from 24th to 26th September 2020. The event was conducted on a national level over digital platforms with 242 participants from over 12 cities across 8 different states. The hackathon was sponsored by National & International organizations.

The event was graced by eminent personalities like Dr. P.K. Desai (President, ISTE, New Delhi), Mr. Rahul Kabra (Founder & CEO, Awrange) and Dr. Parag Kulkarni (CEO & Chief Scientist,

Kvinna Ltd). The hackathon consisted of a coding & monitoring session followed by mentoring and fun activities to give participants a break. The mentors allocated to teams were from well-known companies like Atomic Loops, Alo Basics, Lulu International Abu Dhabi, Prudent, Pixafliip, Shyena, SailPoint, Wi-Fi-Soft, Schlumberger, Raja Software, Yardi systems and Palo IT, Singapore. The participants were evaluated by a panel of industry experts and well-versed Professors.
