TEACHERS TRAINING POLICY

Teachers Training Policy at the institute is prepared using guidelines given by AICTE and considering practical scenario in Un aided Professional Technical institutes.

The training need of teachers in their career can be classified under two distinct categories of the training program:

1. Faculty Induction Program to be provided just after joining the institute.
2. In-service training program for specific requirements at various levels of the career.

A. OBJECTIVES

- To identify the training needs at different levels of career and for different categories of teachers, considering the expectations from a good teacher and technical education scenario.
- To prescribe the structure and contents of the training program at different levels.
- To monitor, facilitate and successively impindustry, institutions, government agencies and NGOs.
- rove the quality of training through suitable resource persons and resource material.
- Continuous updating of technical subject expertise by successful completion of at least one subject course offered through technology-based means every year.
- To know latest trends in technology through Industry Institute Interaction.
- To develop healthy, technology oriented academic and research culture in the institute which will be eventually percolated upto students.

1. Faculty Induction Program:

- General orientation about the present scenario and challenges of technical education, need of teamwork resulting in feeling of ownership, duties and expectations.
- Basic understanding of the teaching-learning process, outcome based education, details about Academic, R&D and Internship Policies of institute.
- Orientation about relevant ICT tools supporting effective teaching-learning and resources for lifelong learning.
- Exposure to good teaching practices, lab development, Industry Institute Interaction etc.
- Orientation about importance of various feedbacks resulting into appraisal.
- Awareness about role in view of smooth working through vertical hirarchy (Department under Head of the Depatment) and horizontal hirarchy (Functional Committees under Deans) as per organization chart of the institute.
- Awareness about aspects other than teaching and research such as administrative procedures, financial procedures and legal implication etc.

2. In-service training program at various levels of teaching career
