**Department of Computer Engineering
Innovative Learning Activity**

Class Activity: Presentation

Date: 19-10-2021

Class: SE-1

Mode of Conduction: Offline

Subject: Humanity and Social Science

Subject Co-Ordinator: Mayuri Narkhede

Topic: India's Cultural Diversity

Way of Conduction:

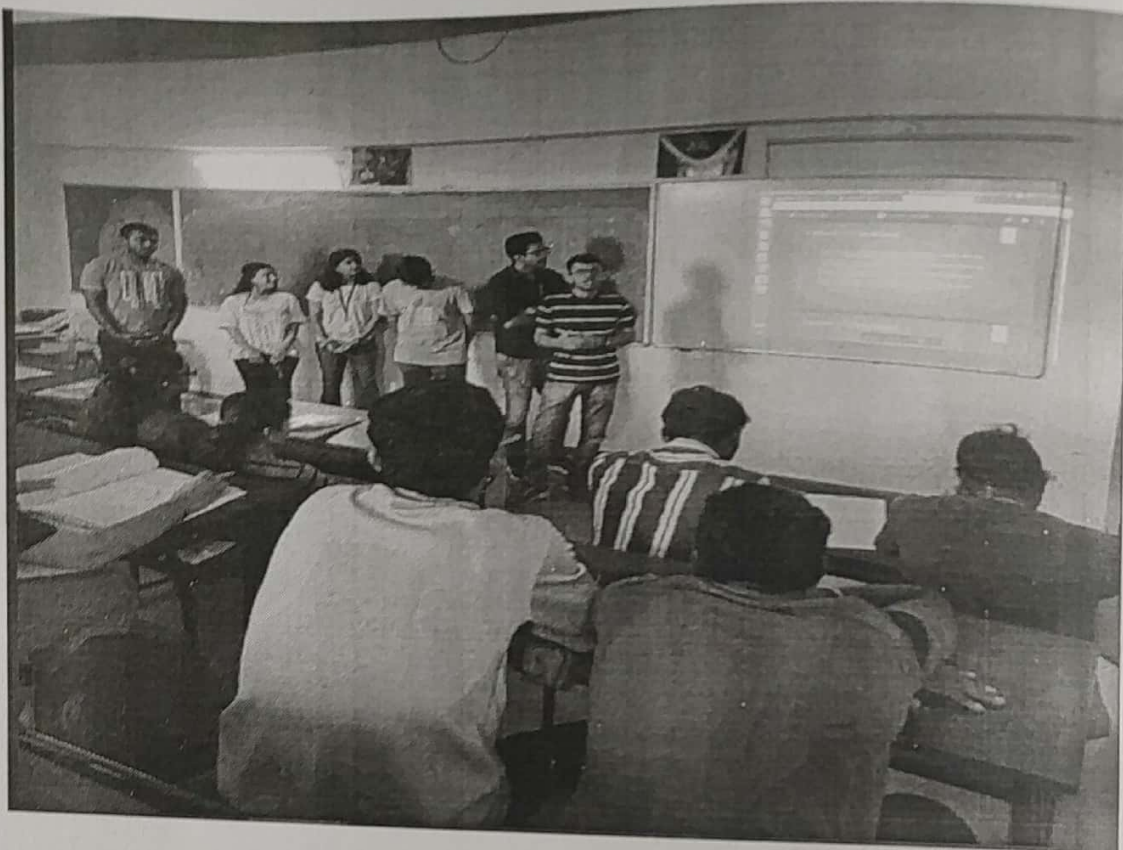

1. Make a group of 4-5 students and those have to pick one state.
2. Come to the session prepared with a PPT that will showcase the demographic, sociographic and cultural information of that state.

Outcome of the Session:

1. Assigning students to create state-specific presentations on demographics, sociographic, and culture promotes research and presentation skills.
2. It encourages critical thinking, fosters cross-cultural awareness, and enhances teamwork and collaboration when done in small groups.
3. These presentations make the class more engaging, facilitate peer learning, and instil a sense of responsibility in students for their own education.

Glimpses of the Session:
