INSTITUTIONAL DISTINCTIVENESS

'Fee waiver scheme and financial support to student activities'

Vision of the Institution is, to aspire for the welfare of society through excellence in science and technology. Institution consistently inspires students and provides platform for technical skill development, multidisciplinary project development, Entrepreneurship development, Ethical and Human value development.

With the trust of academic and technical excellence , Institution motivate and support students to participate in various National and International competitions like SAEINDIA BAJA, ROBOCON, GO KART, SUPRA. Consistent participation and evidences of success proves distinctiveness of the Institution across the globe.

Students learn ethics, team building, technical skills, presentation skills, project management and financial management; they also experience their physical strength, healthy competition environment and global standards by participating in globally recognized competitions. Institution not only encourages students to participate but also provides financial support.
