COLLEGE OF ENGINEERING
Permanently Affiliated to SPPU\Accredited with "A" Grade by NAAC\Recipient of 'Best college' award by SPPU|
Accredited by NBA (Electrical and Mechanical Engineering)

Strategic Plan

(A.Y. 2021-22)

Preamble:

Strategic planning is the art of creating specific strategies, implementing them, and evaluating the results of executing the plan, in regard to the Institute's overall short term and long-term goals or desires. It is a concept that focuses on integrating various departments within the institute toaccomplish its strategic goals. The term strategic planning is essentially synonymous with strategic management.

The development and execution of strategic planning are typically viewed as consisting of being performed in three critical steps namely,

* Strategic formulation
* Strategic implementation
* Strategic execution

Perspective Plan:

Goal	Plan of action
NBA Accreditation	- To apply for NBA accreditation for Computer department and E&TC department. - Action plans of each department based on NBA Committee remarks - Focus on an improvement in teaching-learning process, more assessment tools, and support to weak students. - More involvement of industry in content beyond syllabus, projects, internships and trainings. - Collaboration with national/ international agencies to increase the research work.
NAAC Accreditation	- Preparation of AQAR reports for 2020-21 and 2021-22 - To apply for NAAC accreditation (Cycle II) - Planning for activities as per AQAR reports.

	• Expert sessions for quality improvement. • Focus is on more student participation, faculty involvement in research-based activities, interdisciplinary projects, and student support on higher study.
ISO Certification	• Audit of ISO experts
Research center of Computer Engineering department	• Admissions for Computer Engineering Department Research center. • To inculcate research activities at the research center
Research and development	• To improve the research culture of the Institute • More number of good quality of publication • Filing patents based on research • Arranging international conference
Industry institute interaction cell	• To flourish the activates under industry innovation cell • To collaborate with industries • Internships for students • Expert sessions
To explore activities under Make It Happen-Invention, Innovation and Incubation Center (MMCIII)	• To increase the count of start-ups • To apply for research funding • To provide sponsored projects and internships to students
Appointment of best faculties	• Appointing best faculties in the Institute
Use of ICT tools for teaching learning process	• To use ICT tools effectively • To upload teaching material on Google Classroom • Assessment process in online mode
Student development	• Support for student activates • Introducing student chapters in the Institute
Student placement	• Improving student placement with good package
