Department of
Electronics and Telecommunication Engineering

IMPULSE

VOLUME VI
ISSUE 2 – July 2021

Message from HOD

Dear students,

Greetings!
Placements of our E&TC students in prominent and well - known companies like TCS, Capgemini and Vodafone brought tons of cheer to the department. The pandemic did not stop us in keeping up with the department's tradition of organising expert sessions by industry experts, albeit in an online mode. Three B.E E&TC projects made it to the top 100 projects at the Connect Next National Conference organised by LA Foundation, Dassault Systems. A glittering feather in our cap of achievements, indeed!!

Warm Regards
HOD E&TC

Department of Electronics and Telecommunication Engineering

Vision of the Department

To aspire to be a leading Electronics and Telecommunication Engineering by imparting quality education for the welfare of the society.

Mission of the Department

- To facilitate students with the necessary academic preparation for career in Electronics and Telecommunication industry, higher education and research to meet global challenges and emphasise excellence.

- To create ethical and social professionals in the field of Electronics and Telecommunication.

Program Specific Outcomes (PSOs):
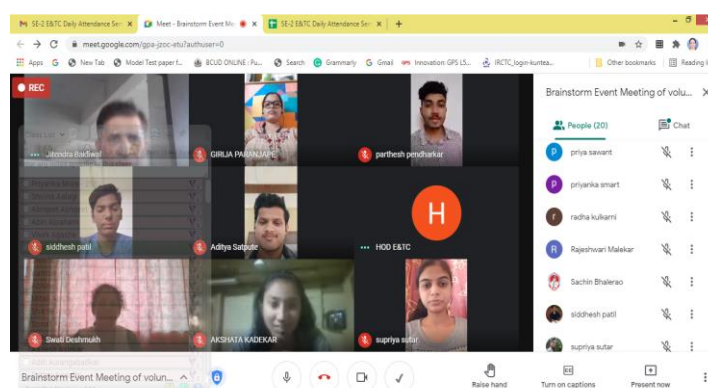

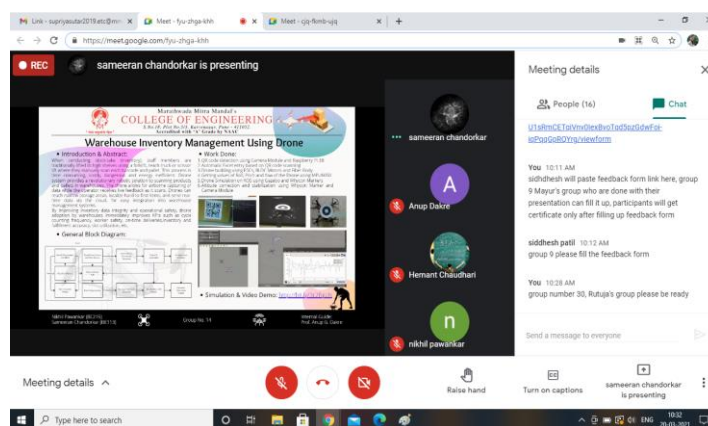

Graduates of the program will be able to,

PSO1: Design and develop Embedded systems to provide solutions in the field of Electronics and Telecommunication Engineering.

PSO2: Apply and analyse Communication Engineering fundamentals in the field of wired and wireless communications and networking.

PSO3: Apply cutting-edge technology in Robotics and Internet of Things.

Workshop and Seminar by Department

- Expert Lecture was organised by department on 26th May 2021 which was conducted by Alumni Ms. Sayali Arya (Alumni Member 2016 batch). She shared her expert knowledge in recent trends in mobile communications and Practical aspects of mobile generations and job opportunities as communication engineer.

- The Department of Electronics and Telecommunication organized a "Brainstorm Poster Presentation" event under IEEE Students Branch on 19th and 20th March 2021. The objective of this event is to offer the final year undergraduate students, an opportunity to showcase their ideas and improve the technical skills. Students were judged by our alumni: Abhijeet Natu, Shreyas Athawale, Siddhesh Bagade, Hemant Choudhari, Tejal Lodha, Pratik Khodke, Laxmikant Pathak and faculty members. In this event total 39 groups from E & TC and 9 groups from Computer Engineering were participated with more than 150 students and 12 faculty members.

Guest Lecture

- Expert lecture by Ms. Sayali Arya, own venture in software training and placement on "Mobile Communication" on 26th May, 2021.

- Expert lecture by Mr. Abhijit Natu (Alumni member-2020 batch) on "Current emerging trends of the Electronics Industry" on 13th February, 2021 for SE,TE and BE students.

Alumni Activity

- Best Outgoing Student-2021 Interviews for BE students conducted on 17th May, 2021. Mr.Shreyas Athavale, Mr.Vaibhav joshi, Ms.Vaishnavi Kaundanya were invited as Alumni.

- Alumni Association Scholarship interviews conducted on 18th May, 2021. Mr.Sagar Shilwant was invited as alumni.

Beta Activities

- ## BETA ONLINE GAMING EVENT

Online Gaming competition was conducted on 25th June, 2021 to 27th June, 2021 games such as Chess, Valorant, Ludo. More than 130 students joined this event.

- ## Introduction to Proteus

Proteus workshop conducted on 29th May, 2021 to 30th May, 2021. Training was given to participants on PCB Design and Circuit Simulator using Proteus.

Faculty Achievement

Sr. No.	Name of Faculty	Event	Organizing Institute	Academic Year	Prize / Award Recognition
1	Ms. Priya Sawant	ConnectNext National Conference	La Fondation Dassault Systemes	2020-21	Guide for a project from your institute Drone Swarm, Which was amongst the top 100 Projects Industries under ConnectNext National Conference
2	Ms. S. A. Joshi - Gosavi	ConnectNext National Conference	La Fondation Dassault Systemes	2020-21	Guide for a project from your institute Drone Swarm, Which was amongst the top 100 Projects
