To
Respected Principal Sir/ Ma'am,

Greetings from Lila Poonawalla Foundation (LPF)

We are very pleased to share that we are celebrating 30 years of our successful Postgraduate Scholarship Project and 15 years of the Undergraduate Scholarship Project. To date, we have awarded over 1,600+ postgraduate scholarships and 11,200+ undergraduate scholarships. This year as well, we are offering Postgraduate and Undergraduate Scholarships to academically strong and economically challenged girl students studying in the Pune district. Kindly find attached the LPF poster describing the eligibility criteria for applying to the Undergraduate Scholarship Programs.

Beyond Scholarship:

We invest in the Skill Building & Development interventions to transform our girls into confident employable professionals for the organizations at large and a compassionate and responsible human being for the society.

How we can partner?

We are genuinely interested and fully committed to helping deserving girl students and to reach out to these girls, we believe that an academic institution like yours is a suitable platform to communicate to them about our scholarship.

Please find attached our scholarship posters. We kindly request you to display them on various communication platforms such as your notice boards, administration office, library, ladies' hostel notice board, and canteen. Additionally, we are sending you an email with a soft copy of the poster. We request you to publish it on your digital platforms, including your website, social media, alumni network e-groups, WhatsApp groups, and others. This will help spread awareness about the LPF Scholarship, enabling many eligible girl students to apply and benefit from the program.
