

## Minutes of Meeting (MoM)

### Industry Advisory Board (IAB) Meeting - Department: Electronics and Telecommunication Engineering

Date: 13 December 2025

Venue: MB 313, 3rd Floor, Marathwada Mitra Mandal College of Engineering (MMCOE), Pune

Time: 11:00 AM onwards

#### Members Present

- Heads of Department
- Faculty Members,
- Industry Advisory Board Members

#### Proceedings of the Meeting:

1. The meeting commenced at 11:00 AM with a warm welcome to all Industry Advisory Board members, faculty members, and invited guests. This was followed by a digital inauguration.
2. The Principal, MMCOE, delivered the welcome address and highlighted the importance of Industry-Academia collaboration in enhancing graduate employability, curriculum relevance, and practical exposure for students.
3. The keynote address emphasized the role of autonomous institutions in fostering innovation, industry-ready skills, and outcome-based education.
4. A brief introduction of all faculty members and Industry Advisory Board members was conducted by the respective Heads of Departments, facilitating better interaction and collaboration.
5. Industry representatives shared their perceptions regarding current industry requirements, emerging technologies, and skill gaps observed among engineering graduates.

### Discussion of IAB members in the Department of Electronics and Telecommunication Engineering

The Department of Electronics and Telecommunication Engineering conducted an in-depth discussion with the Industry Advisory Board members.

The key discussion points are summarized below:

- Strategies to create and sustain student interest in core engineering subjects such as Analog and Digital Electronics, Communication Systems, Embedded Systems, Signal Processing, VLSI, and Networking.
- Emphasis on concept clarity through application-based learning, industry-relevant mini projects, case studies, and laboratory innovations.
- Introduction of industry-aligned electives, certification courses, and hands-on workshops in collaboration with industry partners.

MARATHWADA MITRA MANDAL'S

## COLLEGE OF ENGINEERING

An Autonomous Institute | Approved by AICTE New Delhi

Recognised by Directorate of Technical Education Mumbai

Affiliated to Savitribai Phule Pune University

- NAAC Accredited with A++ Grade
- NBA Accredited
- 'Best College Award 2019' by SPPU

- Encouragement of student participation in internships, live industry projects, hackathons, and technical competitions.
- Strengthening of mentoring systems to guide students towards core engineering career pathways.
- The IAB members stressed on experiential learning, industry exposure, and structured skill development to bridge the gap between academia and industry.

The meeting concluded with a vote of thanks, acknowledging the valuable inputs from Industry Advisory Board members, followed by lunch.

### Action Points

- To explore collaboration opportunities with IAB members for student skill development.
- To incorporate industry inputs in curriculum delivery and laboratory practices. To plan expert talks, workshops, and internships with Industry Advisory Board support.
- To promote project-based learning focused on core Electronics and Telecommunication domains.

The meeting ended on a positive note with mutual assurance of continued Industry–Academia collaboration.
