

'येथे बहुतांचे हित ।'

PRIZE POOL
₹ 2,10,000

Marathwada Mitra Mandal's College of Engineering, Pune

Karvenagar, Pune - 52

An Autonomous Institute affiliated to SPPU

SATURDAY
24th JANUARY 2026

DEXTERITY 2K25-26

A NATIONAL LEVEL TECHNICAL EVENT

Marathwada Mitra Mandal's College of Engineering, Pune

An Autonomous Institute

EVENT DATE
24 JAN

DEXTERITY
2K25-26

SATURDAY
9AM TO 5PM

NATIONAL LEVEL TECHNICAL EVENT

Computer

CODE Loop Ghotala

Description: The event will be conducted in 2 rounds where the participants will be required to break-out of confusing loop statements in the form of code snippets, each round more difficult than the last.
Coordinator: Swarali Kulkarni
Contact: +91 72649 9711

MSOC Fall of Vecna

Description: Cyber-based treasure hunt conducted in three rounds:
• Round 1: Online quiz for preliminary shortlisting.
• Round 2: Outline Stranger Things-themed treasure hunt with a cybersecurity.
• Round 3: Final shortlisting round selecting 5-6 teams for the challenges.
Coordinator: Akshat Zhambare **Contact:** +91 89991 84829

CSI Code Verse 2028

Description:
1st Round: Easy to moderate coding (debugging or test cases)
2nd Round: Hard level coding (Evaluation based on desired output)
Coordinator: Pranav Raut
Contact: +91 72764 90357

AI & DS

AESA Realm of Atheria:

Description: Realm of Atheria is a fast-paced team board game where four elemental teams race to the central castle by answering timed questions and overcoming strategic challenges.
Round 1: Technical MCQ elimination round; top teams qualify.
Round 2: Qualified teams compete on the board to reach the castle first.
Coordinator: Rohit Dahiphale
Contact: +91 98905 91622

Neura and CYPHER Byte Hunt:

Description: Byte Hunt is a multi-round technical competition designed to assess participants' problem-solving skills, logical thinking, and core computer science knowledge.
Round 1 is an MCQ screening on aptitude, fundamentals, and basic DSA.
Round 2 is a logic-based DSA chain challenge.
Round 3 tests advanced DSA in real scenarios, with winners decided by accuracy, efficiency, and time management.
Coordinator: Madhura Patwardhan
Contact: +91 76229 85063

Electrical

EESA Event 1: TechX: Idea Presentation

Description: In this event, participants present innovative ideas on a topic of their choice. The focus is on creativity, problem-solving, and practical thinking through a concise presentation.
Coordinator: Sayali Labase
Contact: +91 93703 87221

EESA Event 2: Clues to Circuit: Electro Hunt

Description: This is a fun, electrical-based team game where participants follow clues to find hidden components and use them to build a complete circuit within the given time.
Coordinator: Lokesh Patil
Contact: +91 90221 61027

EESA Event 3: Spark Up-Quiz

Description: This is a technical quiz competition conducted in multiple levels, starting from easy questions and progressing to moderate and hard questions to test technical knowledge, logic, and problem-solving skills.
Coordinator: Prashansa Nakhale
Contact: +91 83291 14976

ISTE SC

ProtoTech

Description: ISTE is conducting "ProtoTech" an idea presentation event which focuses on critical thinking. Students will participate in teams and submit their idea in presentation format on 23rd and top 20 teams get to present it on 24th.
Coordinator: Anvita Kashkar
Contact: +91 91583 70968

MICDROP

Vision to Visuals

Description: Turn a single spark of an idea into a cinematic masterpiece using the power of AI.
• Round 1: Take our provided "starting line" and use AI to expand it into a complete, creative, and well-structured story.
• Round 2: Transform your story into a short film by using Generative AI tools to create high-quality cinematic visuals and a script.
Coordinator: Anshul Bakliwal
Contact: +91 80801 67643

GDG&C

Lock & Code

Description: Lock & Code is a competitive coding showdown where the first to solve locks the problem for everyone else. Race to claim challenges before your opponents do, solve fast or lose your shot.
Coordinator: Bhushan Anokar
Contact: +91 72640 80641

IEEE SB

UX-Factor 3.0

Description: UI/UX Challenge is a design-focused competition. Participants will design software application based on the provided problem statements. Emphasis will be on creativity, usability, and intuitive user experience. The event will be conducted in multiple batches.
Coordinator: Eesha Deshpande
Contact: +91 72640 80641

Information Technology

ITSA Prompt Wars : Command the AI

Description: The event is based on Prompt Engineering and will be conducted in two rounds where the participants will be carrying out the task of Text Generation in Round One, and Image Generation in Round Two.
Coordinator: Ruchika Amrutkar
Contact: +91 8380028433

ACM The Grid Awakening: When Interfaces Speak in Neon Whispers

Description: This event is UI/UX Design event. Participants will design functionalities in accordance with the Dexterity Theme of Department. One detailed Round will be conducted.
Coordinator: Rajvi Somanache
Contact: +91 74999445643

IT Tech Club QUIZTRON: The Battle of Thought and Speed

Description: A fast-paced, three-round tech elimination challenge. Test your knowledge of trivia, logos, and IT history in a race where speed and logic are the only ways to survive to the final stage.
Coordinator: Gaurav Jadhav
Contact: +91 91751 67536

ENTC

BETA Event 1: Robo Race

Description: It's a two-round competition where individuals or teams race manually controlled robots on an obstacle track. Round 1 is an elimination round, and Round 2 decides winners based on speed and control.
Coordinator: Sumech Kulkarni
Contact: +91 84455 13938

BETA Event 2: Blind & Build

Description: It's a two-round team event where one member, blindfolded, collects components using teammates' coded instructions. Qualified teams then design and build a working circuit within a given time.
Coordinator: Arushi Rodeo
Contact: +91 95270 11451

RC Drone Club Dronesim Elite

Description: It's an individual three-round drone simulator event. It begins with an MCQ elimination, followed by Angle Mode flying in Round 2, and concludes with a time-bound Acro Mode challenge in Round 3.
Coordinator: Omkar Bedekar
Contact: +91 70588 19104

Mechanical

MESA Event 1: Cad War

Description: CAD War is a CAD modeling competition where participants convert provided 2D drawings or sketches into detailed 3D designs using CATIA software.
Coordinator: Riya Jori
Contact: +91 88349 10169

MESA Event 2: Shark Tank

Description: Teams pitch on product/startup ideas to judges, judged on feasibility, design innovation, and Q&A response.
Coordinator: Chetan Pawar
Contact: +91 75888220051

MESA Event 3: Mech Mind

Description: Mech mind is a offline model making competition where prototype is developed using the raw materials provided to the participants.
Coordinator: Atharva Kulkarni
Contact: +91 8378986890
