About Marathwada Mitra Mandal's College of Engineering

Recognized as the BEST COLLEGE by SPPU, MMCOE is one of the Prestigious feathers in the Elite cap of Marathwada Mitra Mandal's Group of Institutions, Pune. This recognition stands as a validation of our commitment to Outcome Based Education. The institute has made a significant imprint on the educational landscape of the state. MMCOE is accredited with A++ Grade by NAAC and has been awarded the Best College by Savitribai Phule Pune University. Also, various programmes offered here have been accredited by the National Board of Accreditation (NBA). MMCOE is run by a capable, dedicated, committed, supportive team of over 250 faculty and staff, working with a focused Vision & Mission.

At MMCOE, we don't just educate engineers – we shape the problem-solvers, innovators, and leaders who will define tomorrow. Recognized as the Best Autonomous engineering institution under Savitribai Phule Pune University, we have consistently set the benchmark for academic excellence, cutting-edge research, and holistic student development, in sync with the New Education Policy (NEP) 2020.

About Center for Skill Development and Certifications (CSDC)

The MMCOE's Center for Skill Development & Certifications (CSDC) is an initiative dedicated to enhancing students' employability and industry readiness through globally recognized certification programs. The center collaborates with leading technology organizations such as AWS, Cisco, Microsoft, Google, Red Hat, SAP, , to provide training in emerging domains including Cloud Computing, Artificial Intelligence & Data Science, Networking and Cybersecurity, Embedded, Automation, Sustainable E-Mobility (EV), CAD and CAE, SAP, Digital Twin, Entrepreneurship. CSDC aims to bridge the gap between academic learning and industry expectations by offering structured certification roadmaps, practical exposure, and career-oriented learning opportunities that empower students to become competent, innovative, and future-ready professionals.

Transform Your Career with Industry-Ready Skills

Join CSDC and gain access to globally recognized certifications, practical learning experiences, and career-oriented training programs.

Vision

To create industry-ready professionals through globally recognized skills and certifications

Mission

- ▶ To bridge the gap between academics and industry requirements
- ▶ To provide quality skill development and certification opportunities in emerging technologies
- ▶ To enhance employability, innovation, and lifelong learning among students

Key Domains:

- Cloud Computing
- Artificial Intelligence & Data Science
- Networking and Cybersecurity
- Embedded
- Automation
- Sustainable E-Mobility (EV)
- CAD and CAE
- SAP
- Digital Twin
- Entrepreneurship
