INDUSTRY ACADEMIA CONNECT

80+ Industries and Start-ups came together under one roof

- An initiative designed to foster meaningful collaboration between Industry Experts & The Academic Community.
- The meet focused on outcome-based education, competency mapping, experiential learning, industrial immersion, and alignment with the National Education Policy **(NEP) 2020** & focused on **MMCOE's philosophy "येथे बहुतांचे हित"**.
- MMCOE has constituted an Industrial Advisory Board for every department to strengthen academic and industry alignment.

MMCOE Pune continues its journey towards global academic excellence by hosting a distinguished international academic leader, **Professor Byeong-Yun Chang, from Ajou University, South Korea.**

A major highlight of the visit was the signing of a Memorandum of Understanding (MoU) between MMCOE Pune and Ajou University, South Korea.

Enhancing Industry Engagement (MoU's)

This collaboration will enable internships, sponsored projects, expert lectures, and various academic–industry collaborative initiatives.
